

HOT WATER FLAT RADIATOR

COMFORT, ECONOMY AND ELEGANCE

 AUTONOM

COMFORT, ECONOMY AND ELEGANCE

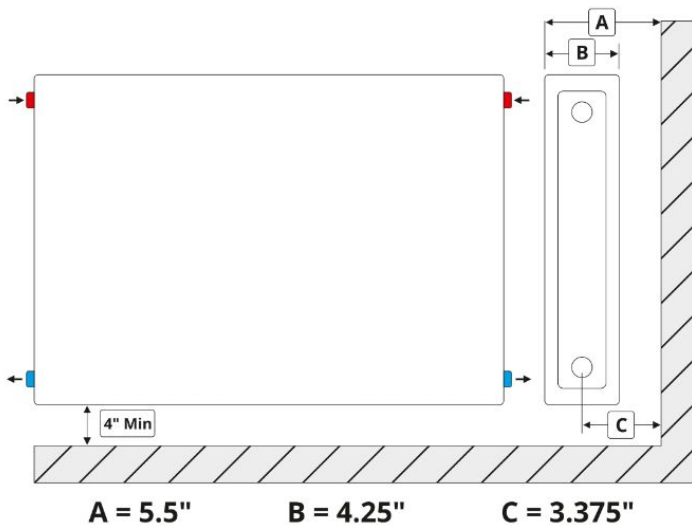

Hot water radiators are available in different lengths and heights to fit most spaces. Their white finish is made from a baked powder paint that offers great durability and ease of maintenance. With a smooth, plain front, they stand out from other conventional models to match any decor.

Code	Height in	Length in	Depth in	Delivered power (BTU)			Volume (Litre)	Weight (kg)
				140°F	160°F	180°F		
AFSR1220	11.75	19.75	4.25	1014	1568	2052	1.7	9.3
AFSR1228		27.50		1420	2196	2873	2.4	13.1
AFSR1236		35.50		1825	2823	3694	3.1	16.7
AFSR1248		47.25		2434	3764	4926	4.1	22.3
AFSR1260		59.00		3042	4705	6157	5.1	27.9
AFSR2420	23.75	19.75	4.25	1768	2772	3659	3.0	18.5
AFSR2428		27.50		2475	3881	5123	4.2	25.9
AFSR2436		35.50		3182	4990	6587	5.4	33.3

Output are based with an Δt of 20°F

Maximum pressure : 125psi - Maximum water temperature : 200°F - Valves connections type : 1/2 pex comp. (sold sep.)
